FINAL DIRECTION

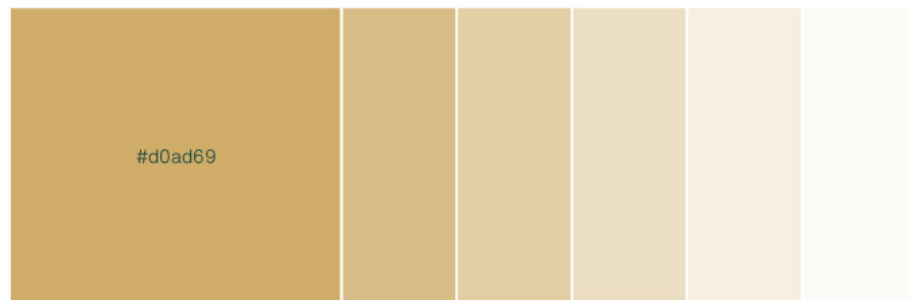

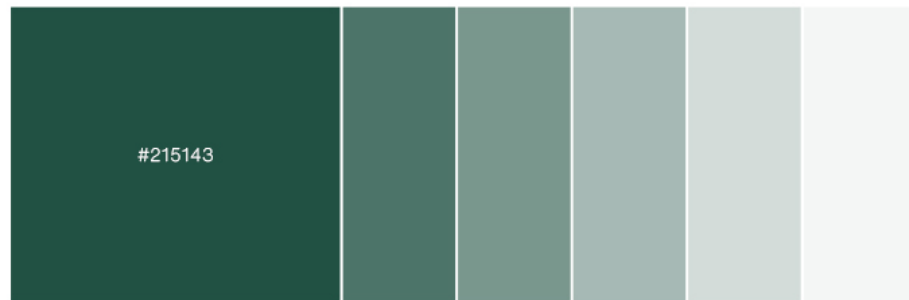

An abstract monogram was created to follow the brand name which also acts as a wordmark. The icon was gotten from the first letter of the brandname (b).

A wordmark was created alongside the icon for the brand. This was done so the name of the brand can be known as well as the icon (as in the case of Gucci).

Both can be used in places suitable for either.

Lorem Ipsum is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting.
